

Big GOP rally at Palatine Monday

The highlight of the pre-election campaign in this territory will be reached Monday night, Oct. 30, when a big Republican rally will be staged at Cutting hall of the Palatine township high school under the sponsorship of the Palatine Township Republican Club.

Headlining the speakers for the evening will be Richard J. Lyons, candidate for United States senator and Charles H. Garland, candidate for congress from this (7th) district.

Fighting Dick Lyons has probably done more to keep alive the spark of Republicanism in Illinois during the dark days of the early New Deal than any one man.

He has campaigned up and down across Illinois in every campaign and is known personally to thousands of voters.

He is a dynamic speaker and a speaker who always has a real vital message for the voters.

His presence at Palatine Monday night should assure a packed house.

Charles H. Garland, mayor of Des Plaines, who is conducting a terrific campaign to break the Democratic hold on congress from this district, is also an able speaker with a message for the voters.

With these two men who the voters of this area confidently expect to send to Washington on Nov. 7, on the program the audience can be assured of some worth while talks.

In addition to these headliners there will be other candidates for state and county offices present to meet the folks from this territory and say a few words about the issues of the campaign.

The fine band of the Palatine township high school will help to entertain the crowd and there will be other entertainment provided.

The Palatine township Republican club extends a cordial invitation to all voters of this area to the rally.

Republican mass meeting Des Plaines next Wednesday

Maine Township Republican organization, in cooperation with the Republican women's group, are jointly sponsoring a Republican mass meeting and rally at the Rand Park Field House, Des Plaines, Wednesday evening, Nov. 1.

All state and county candidates, including Dick Lyons, will be present. There will be entertainment by a radio quartet and other features. "This rally is not alone for Maine township," says Fred Fulle, township committeeman, "but for all northwest communities."

36 high school students honored for scholastic work

The following is a list of students from Arlington Heights township high school who did commendable scholastic work the first six weeks grading period:

Seniors — Burneta Burns, Jacquelyn Johnson, Madie Johnson, Marjorie Kester, Nan Sommer, Miriam Tidd, Patricia Tuttle.

Juniors — Shirley Baumgartner, Brian Crumlish, Donna Lee Doughty, Gloria Jorgensen, Esther Karstens, Thomas Kurtz, Laurel Lawbaugh, Laurel Middel, Anne Volz, Arline Wiegand, Margaret Wienke, Dorothy Williams, Sophomores — Robert Blackburn, William Lang, Daniel Magnus, Madeline Raef, Ardelle Wille, Mary Morrow.

Freshmen — Marian Goebbert, Thomas Griffith, Jane Leckband, Betty Linnehan, Anne Lyman, Joan Moss, Nancy Nichols, Dorothy Schlemmer, Marilyn Schlemmer, Marion Warner, Ronald Wiegand.

Seek bids for Xmas trucks for post office

Arlington Heights post office is now seeking bids for truck service for the Christmas season rush. Bids will be accepted up to Nov. 25.

Gas, A book, 4 gals. each, No. 13, Valid, exp. Dec. 21.

Shoes, airplane stamps 1 and 2 valid, good indefinitely. Airplane stamp 3 becomes valid Nov. 1.

Dad's club to give football banquet soon

At a meeting of the Dad's Club last Thursday evening, men showed their interest in the youth and schools of the community.

The subject of unused hand and orchestra instruments was discussed and Mr. Hermessdorf was delegated to obtain information from the schools (both high school and grade school) relative to what and how many instruments are required.

The high school Football Banquet received considerable attention and it was decided that a banquet should be held and an appropriate speaker obtained. The purchase of tickets will be open to all students and people of the community. The committee on banquet arrangements is composed of the following men: Raymond Nelson, chairman, Val Webber, Warren Kohler, Chas. Page and Paul Williams. These men all have sons who are members of the "A" Club.

The fact that the grade school basketball league was so successful last year proved that it is a necessary community activity. Mt. Prospect, who was not represented last year, was discussed as an entry to replace Palatine. The thought being that all boys should be prepared with basketball fundamentals prior to attending high school.

Girls activities, especially clubs and basketball, were discussed. It is evident that there are girls in Arlington Heights who would play basketball if equipment, gyms and supervision are available.

Mr. Perry Thomas will head the organization of the Boys Grade School Basketball League. A meeting will be held in the near future with the men from the various organizations which will sponsor teams. It is expected that the league games will get under way during November.

The possible ways to stimulate education following the completion of high school work were considered. It was thought that more information should be placed before high school students, by men and women in the various occupations and professions living in the community.

Mr. M. F. Egdorf, high school principal, spoke on the courses of study which are now used in nearly every high school and told of instances where changes have been made in schools. He pointed out many facts on education and educational policies which were very informative.

Mr. Hackbarth was appointed to the Education Committee with other members to be selected at a later date.

Mr. C. I. Davis told of a Parents Night, planned to be held at the high school. A motion was made and adopted that the Dad's Club assist the High School Board of Education in making Parents' Night one of the most successful of the school year.

The ladies of the Red Cross organization, on learning of the Dad's club meeting sent and served refreshments.

Prospect Hts. Lions Carnival Saturday

This Saturday night, October 28, is the date that most Prospect Heights have been eagerly awaiting, for that is the night the Prospect Heights Lions club has set aside for its annual carnival and dance to be held at Lamb's garage at the corner of Elmhurst and McDonald roads.

Doors will open at 9 o'clock and in keeping with the gay Halloween season, guests are expected to appear in all sorts of costumes ranging from the ridiculous to the sublime. For those of you who do not care to change into any kind of costume, you are urged to come just as you are.

According to Carlton Smith, chairman of the affair, final arrangements have been completed. There will be a space allotted to the dancer, who will have no difficulty gliding over the polished floor. Music will be furnished by Mark Webb and his orchestra, who have been engaged because of popular demand.

There will be booths of various kinds, such as any carnival would feature, in which luck plays the biggest part. There will also be refreshment stands, where you might appease the appetite and quench your thirst. And, according to Mr. Smith, there will be a "surprise" booth, a feature of every carnival, which usually proves to be the most popular booth. If you are curious, come there and see what the "surprise" booth contains. You won't be sorry!

Highlight of the evening's activities will be at the stroke of 12 midnight, when the Jacobson power lawn mower and the \$100 war bond and the pre-war electric iron will be given away to the holders of the lucky numbers.

Tickets are 60 cents, including

St. Peter School ready for 80th anniversary

The St. Peter Lutheran school building in Arlington Heights will be a busy spot during the week of November 5. That week, Christian Education week throughout the Lutheran church, has been designated by the local congregation as Anniversary week in which to celebrate its 80th year.

Special services will be held during the regular times on Sunday, Nov. 5, with a Reunion service planned for the evening.

On Monday evening, November 6, the three Bible classes will hold open house to which parents and friends are invited. The three divisions are: Freshman class for those attending their freshman year in high school; Junior class for the young people in the higher three classes in high school; and the Adult class for all persons from 17 to 70. Everyone, young and old, should attend these classes which hold sessions every Monday evening from 7:45 to 8:45.

Following the classes the Walther League will hold open house in the auditorium for all parents and friends. In addition to having various displays, the Rev. A. R. Kretzmann has been asked to address the audience. He has been active in Walther League circles since he entered the ministry and at present is a member of the International Walther League Executive board and is the editor of "The Cresset," a monthly publication.

"Myself Tomorrow," was the topic of the address he presented to the assembly of the 20th annual convention of the Northern Illinois District at the Stevens Hotel, Chicago, earlier this month. The Rev. Kretzmann will present to the assembly next Monday night an over-all picture of the inner workings of the Walther League and give facts about the Christian Knowledge and Christian Service programs.

The school will hold its open house on Wednesday evening, November 8 when regular classes of one-half hour duration will be in session from 7:30 to 8:30. Parents and friends are especially invited to these sessions for a deeper understanding of the value of a Christian education for their children. Exhibits will be on view in the auditorium later. Some of these will include about 200 pictures of classes of the past, graphs showing a growth of the school; textbooks used in various classes; and education materials used by the Sunday school and Walther league. A new slide-film projector recently purchased for Visual Education will also be on exhibition. The Mothers' Club will be on hand to serve refreshments.

Congregation members and friends are urged to keep these two evenings free to spend at the Lutheran school.

Drainage, roads next projects at Prospect Heights

The meeting of the Prospect Heights Improvement Association held last Wednesday evening at the schoolhouse at the corner of Palatine and Schoenbeck roads, of interest to the civic minded residents and the committee reports were timely and complete.

The progress of the Drainage District project was discussed by Chairman Harold B. Jollie, and details of planning and installation of the actual work as well as sequence of remaining legal steps to completion were made known. Excepting the unusual, spring high water period should be much less trouble on its next occurrence.

Francis Poor, in charge of roads discussed the problems of repairing roads under material and manpower shortages and explained divided authorities of township county and state. His discourse was interesting and it became evident that he had to make a great many contacts before he could obtain this information and it was also apparent that he is doing a very thorough research job on the subject.

According to Melvin Kritsch, membership chairman, an enlarged map of the community will soon make its appearance in the Pharmacy window on which the percentage of membership by districts will be marked. It is expected to attract considerable interest.

After the business of the evening had been dispensed with, the program was taken over by Robert Andras, program chairman, assisted by David Williams and George Westermann. Mr. Andras acted as "Professor I. Q." and with the aid of his committee put on an interesting half hour show that the audience participated in. Prizes in cash, in penny denominations, such as 2 cents, four cents, etc., went to those who answered questions correctly, without too much prompting from the audience or the "Professor." It was a night of fun and "prosperity" for those who went home with the prizes.

Its Homecoming this week-end at Arlington

This week the annual Arlington Heights homecoming festivities will be held at the high school. The students have worked hard preparing for the bonfire which will be held Friday night. As the bonfire starts to burn down the snake dance will start toward the business district. This spectacle is interesting and worth seeing.

Saturday afternoon the parade starts in the business district, led by the high school band, reaching the athletic field just before 2:30 p. m. The kickoff of the football game between Libertyville and Arlington Heights will begin promptly at 2:30. Arlington still has a chance to win the Northeast Conference title, despite a tie game with Crystal Lake, should they win over the unbeaten Wildcats.

Those who enjoy football will want to see this game between the heavy powerful team from Libertyville and the light fast local team which plays a wide-open spectacular game.

The festivities are concluded Saturday evening when a dance will be sponsored by the "A" club at the high school.

The parents of the high school students and the public in general should make every effort to support the students in their homecoming celebration.

War fund will aid prisoners in Philippines

Liberation day for 17,000,000 Filipinos will be "D" day for Philippine War Relief, a beneficiary organization of the current National War Fund Campaign in Cook, Du Page and Lake counties.

The Philippines were attacked simultaneously with Pearl Harbor, Wake and Guam. At that time a mere handful of U. S. troops aided by a larger number of Filipino soldier trainees were the only bulwark to stem the tide of the fully equipped enemy. The valiant stand that this brave group made is known by all people everywhere. For those who survived, an assignment to the "Barbed-wire Legion," where they endured starvation. Similar treatment befell the civilian residents who were citizens of the U. S. and United Nations Nationals, all but a few of whom are still enduring the rigors of internment.

Now MacArthur has returned to liberate the Philippines. "Philippine War Relief is ready to bring food, medicines, and clothing into the Philippines just as soon as General MacArthur's invasion forces have established enough of a 'Mercy Beachhead' so that relief supplies may flow from that beachhead to every section of the Philippines," said Edward B. Sherwin, chairman of National War Fund campaign in Region 1, which includes all of Lake county.

Meanwhile Stuart Cochran, chairman of the National War Fund campaign in Cook, Du Page and Lake counties, announced today that \$149,060 has already been raised in these counties toward the \$550,000 National War Fund goal. Of this sum, Region 1, which includes all of Lake county, has raised \$49,350, or 33 percent of its total quota of \$172,350.

Sports writer to appear on radio in prep sport review

Tommy Kouzmanoff, Arlington Heights, who is on the sport staff of the Herald-American will make his first appearance on a prep sports review over radio station WCFL at 11:15 Sunday morning. His teammate will be Harold Butch of the Chicago Times.

This program will be given every Sunday over that station. Sports writers of various Chicago newspapers will participate. Mr. Kouzmanoff will appear every third week.

Arlington Heights rubbish pick-up is next week

Wm. Luehring, Arlington Heights street commissioner announces the fall collection of tin cans and rubbish as follows:

Oct. 30 and 31—South of railroad.

Nov. 1 and 2—North of railroad.

Parents to be students at high school

On Thursday evening, November 9th, the Arlington Heights Township High School will sponsor a parent's night at the school. On this evening the parents of the high school student body, will become the "students" for the evening. Parents will follow the same schedule of classes as their children follow during the school day.

Each high school student will fill out a class schedule card for their parents. On the card they will designate the subject, room number, and name of teacher for each of the six periods during the school day.

Parents will assemble in the gymnasium for preliminary announcements and plans for the evening. They will then follow a 15 minute schedule of classes with 4 minutes interval to allow the "students" to find their next class room. To assist the parents finding classes they will be given a floor plan of the building. "Tardiness to classes will not be treated lightly."

In the class period the teachers will present to the parents a short description of the work being done as well as becoming acquainted with the parents.

At the conclusion of classes, there will be a short musical program in the gymnasium. Mr. Costain, music instructor will present some high school students in solo and ensemble numbers. The Dads Club will provide light refreshments in the cafeteria at the conclusion of the program.

Parents are urged to attend this night so they might better understand the high school and know the teachers.

Arlington choral club to meet this Monday

First meeting of the Arlington Heights choral club will be held next Monday, October 30, at 8 p. m. in the north school.

The club is organizing for the fall and winter season and new members are invited.

"We hope everyone interested in singing will visit us for our opening meeting," says Theodore Militzer, director. "We would like you to meet with us and discuss our plans. Experience in choral singing is not required."

The choral club has been one of the most popular village groups over the past 20 years, and many readers have enjoyed its concerts each year. It is seldom that a village the size of Arlington Heights can boast a group of its caliber.

Yet war-time conditions have made it difficult to maintain the club at the necessary size and the club is earnestly asking the support of new members.

Rehearsals are starting Monday for the Messiah, to be given at Christmas time and for the Elijah to be given early in 1945.

Hallowe'eners must keep away from all mail boxes

Hallowe'eners must not touch mail boxes. While mail boxes are privately owned by individuals, they are protected by the same postal laws as a public mail box in front of the postoffice or elsewhere. The postoffice inspector or of the Chicago districts has asked all postmasters to issue a general warning that the damaging or stealing of mail boxes and their contents makes the offender subject to severe penalties.

The same laws apply to the rural boxes on the highways.

The post office department states that complaints of damage to rural mail boxes, as well as theft of mail from such boxes and other boxes designated for the deposit and delivery of mail matter, have been on the increase. It is noted, that to a large extent, children are responsible for these acts, and with the approach of Hallowe'en a still greater increase in complaints of this nature may be expected.

Depredations of this kind can be kept down to a minimum by educating the children and warning them of the consequences of their acts. It is essential that this sort of juvenile delinquency be curtailed.

Legion auxiliary rummage sale Saturday

The American Legion Auxiliary rummage sale will be held at Legion hall east of the Park Field House on Saturday, Oct. 28.

Mrs. Albert C. Russell, 114 E. Euclid ave., is chairman. Her telephone is 120-W. Doors will be open at 9 a. m. Mrs. Herbert Olson will collect rummage. Those having articles they wish to have collected can reach her by calling 672-M not later than Friday. The proceeds of this sale will be used in hospital work.

For Our Girls

A country has no future outside of its youth. When our country's future is at stake, youth and youth's training cannot be shelved to make way for emergency drives—they are the emergency. This is a lesson that all warring nations have had to face and the lesson that democracies, in which training for youth has been good but haphazard, have sometimes been slow to face—to their later regret. England, for example, had to learn the importance of guidance for youth after sharp rises in juvenile delinquency and waste of needed youth-power had shown her the importance of supervision for children in wartime. This is precisely the moment when Scouting is needed most—both by boys and girls and by the community. It is the moment when Scouting must expand, in order to train the younger members of the generation for good citizenship and service before it is too late. The money contributed to the local Girl Scout organization during this coming week will provide a needed program of citizenship training to girls of every race, creed and financial status. It will help develop knowledge, understanding and appreciation of different people in our country and in other countries. It will give them opportunities to learn and to serve during these difficult days, so that they may become the world-minded citizens of tomorrow.

The Herald feels that Scouting for girls is as important as for boys and the financial needs of the local council will be promptly met by the people of the community. Important as are the other community drives to which are accustomed, the Girl Scouts will not be forgotten in this their first financial drive in Arlington Heights.

Pre-Hallowe'en prank causes injury to man 78 years old

Albert Neuman, 78, West Sigwalt street, Arlington Heights, is confined to his bed from injuries received when he attempted to recover a chair that some pre-Hallowe'en had hung on an electric light pole. He fell backwards and the chair landed upon his chest.

The general public is in sympathy with Hallowe'eners who confine their pranks to Hallowe'en, but police can not deal too severely with those who make Hallowe'en an excuse to plan devilment over two or three weeks. A motorist escaped serious injury a week ago because tree branches had been placed on a roadside street. There are similar reports coming in. The damaging of wooden flower boxes and other articles made of wood should be discouraged because priorities can not be obtained to secure new lumber with which to make repairs.

Do not burn leaves on public streets

As street commissioner I here warn the general public that there can be no burning of leaves upon pavements. Police have instruction to enforce the ordinance in this matter.

WM. LUEHRING,
Street Commissioner.

GOP pins hopes on country towns

On the country towns of Cook county the Republican party is depending for victory in the coming county election.

From straw polls being conducted it appears that the race for State's Attorney in Chicago and for some of the other county offices is close enough so that the Republican majority in the country towns can swing the election and break at last the strangle hold of the Kelly machine on all county offices.

And that the country towns realize their importance and are ready to deliver the goods was plainly indicated last Thursday when 4,000 country towners jammed the grand ball room of the Sherman Hotel to the doors, overflowing the galleries, the lobbies and the stairs and gave Gov. Green, Richard J. Lyons, John T. Dempsey and the other Republican candidates an ovation such as hasn't been seen for many a long year.

The country town party took on all the aspects of a harvest home festival with the township committeemen and Republican county commissioners dolled up in big straw hats and red bandanas.

There were chickens, ducks, geese, turkeys and wagon loads of farm and garden produce given away as prizes and the entire crowd had a crusading, victorious spirit that showed the Republican leaders that once again the country towns were ready to furnish the punch that is needed to smash some of the cogs of the big city machine.

Richard J. Lyons, as he ripped the new deal and the Roosevelt Administration up one side and down the other, was cheered until the rafters shook.

Governor Green's appearance was the signal for a frenzied dem-

Girl Scout fund drive opens this week

Mayor Albert Goedke opened the Girl Scout financial drive with a personal subscription, and an appeal to all people in Arlington Heights to help this worthwhile movement. He said, "the Girl Scout organization with its excellent citizenship training is building a splendid, community-minded group of young women who are a real asset to Arlington Heights. They are worthy of the generous financial support of everyone." The Mayor commended the more than fifty adult volunteer workers—council members, leaders, and troop committee members—for their unselfish efforts in behalf of the girls in this community.

Mr. K. W. Kennedy, finance chairman of the local council, and his assistant, Mr. W. N. Walton, have announced the appointment of the following captains in the various sections of the village: Wm. G. Franke, Willis Hubbard, Orval Baldwin, Richard C. Frasier, Frank Havranek, Julius Heimsoth, and J. T. Ransdell. Mrs. G. Rex Volz, treasurer of the local council, is in charge of collections in the business district. Each captain will be assisted by a number of workers so that each home in the community will be called upon, and everyone will have an opportunity to contribute. This work will be done by adult volunteers, as the Girl Scout financial policy prohibits the girls themselves from canvassing for or soliciting funds in the capacity of Girl Scouts.

Funds are needed so that every girl in the community who wishes to may enjoy the citizenship training, wholesome comradeship, and constructive good times offered by Girl Scouting. The budget includes training expenses for leaders, books, arts and crafts materials, and out of doors equipment. National Girl Scout Week starts on Sunday, October 29th, and that day will be Girl Scout Sunday. Each day of the week has been designated as a special service day. Girl Scout Sunday; Monday Home-making; Tuesday, Citizenship; Wednesday, Health and Safety; Thursday, International Friendship; Friday, Arts and Crafts; and Saturday, Out of Doors. There will be a special window display in the Emerald Shop depicting these activities in the Girl Scout program.

Public Service Co. awarded for its salvage efforts

For meritorious services rendered in behalf of the National Salvage Program, the Public Service Company of Northern Illinois has been cited by the War Production Board. In addition to the company award, a personal certificate of citation was awarded to Arthur F. Senior who has directed the company's salvage program since its inception in January, 1942. During the 33-month period, the company and its employees have contributed more than 8,000,000 pounds of critical salvage materials to the country's war needs.

John T. Dempsey, who looks as though he were about to rout the machine from the States Attorney's office, Leo Carr, who has a grand chance to be the next sheriff of Cook County and all the other candidates who spoke or swiftly took a bow were cheered to the echo.

Big delegations were present from all of the country townships and it was by far the most enthusiastic Republican rally in years. It brought to mind the fact that many times in the old days it was the vote of the country towns that was the deciding factor in county elections.

Often in those days the morning papers the day after an election would show practically the entire democratic ticket elected. Then the country town vote would hit the line and the result would be completely changed.

In 1940 the country towns gave Green a 104,000 majority which carried Cook county for him. It was the first time in many years that a republican had carried Cook county.

This year with 94,000 additional registrations in the country towns the workers from the hinterlands say they are going to increase that majority to 150,000 and take the county ticket along with the Governor.

At any rate the country towns are no longer the forgotten land of the republican party. Party leaders realize their importance, the country towns realize their importance and this year with a close battle looming in the city, all political eyes are on the country towns of Cook county.

Cotton

The supply of cotton goods is "tighter" now than it has been any time during the war and is expected to remain "tight" for from one to two years after the collapse of Germany. Production is insufficient to meet military and civilian demands, and the market is short in basic types of cotton fabrics used in low-cost garments. The Pacific war will require more cotton as the basic military clothing staple, whereas wool has been heavily used in Europe. Cotton fabrics such as certain denims and chambrays will continue to be in demand with the military, and cotton duck is now on the urgent list. During the first six months after the fall of Germany the United Nations relief and rehabilitation administration is expected to ask for 300 million yards of cotton textiles, and the food industry must depend upon cotton bagging due to a shortage of jute from India.

Water

A new method of water purification, said to be more efficient than chlorination and eliminating the "chlorine taste," soon to be made available to all water companies by Mathieson Alkali works... Reflecting carbunstones, made of white concrete, to insure safer night driving... A mechanism for patching tires involving use of electronics for vulcanizing the rubber; advantage of the electronic process is said to be its ability to generate heat rapidly and uniformly in every molecule of rubber, thus avoiding excessive heating and embrittlement of outer surfaces.

Planes Spray Locusts

In a campaign against locusts in the Middle East, conducted by Allied governments, fighting planes using arsenic spray instead of explosives fly as low as seven feet above ground.

At the Arlington Theatre Next Week

Freddie March and Alexis Smith in a tender love scene from Warner Bros. "The Adventures of Mark Twain." Life story of the creator of Tom Sawyer. At the Arlington with color featurette "Fun Time" Nov. 1-2-3.

New phone company

The interest of the average American in what the future has in store for him in the way of industry's postwar developments was exemplified last week, when the millionth person visited the Luby-Over-Ford glass company's model room, the "Kitchen of tomorrow," was clocked up while the room was on display in Springfield, Mass. Three duplicate models of the postwar suggestion for better living have been touring the nation since March, 1944.

The millionth visitor was Mrs. Ernest Dubour, petite and 40—and the mother of 14 children, ranging from the age of four weeks to 20 years. Two of her sons, 18 and 15, are in the Navy and merchant marine, respectively.

Freddie March and Alexis Smith in a tender love scene from Warner Bros. "The Adventures of Mark Twain." Life story of the creator of Tom Sawyer. At the Arlington with color featurette "Fun Time" Nov. 1-2-3.

New phone company

The interest of the average American in what the future has in store for him in the way of industry's postwar developments was exemplified last week, when the millionth person visited the Luby-Over-Ford glass company's model room, the "Kitchen of tomorrow," was clocked up while the room was on display in Springfield, Mass. Three duplicate models of the postwar suggestion for better living have been touring the nation since March, 1944.

The millionth visitor was Mrs. Ernest Dubour, petite and 40—and the mother of 14 children, ranging from the age of four weeks to 20 years. Two of her sons, 18 and 15, are in the Navy and merchant marine, respectively.

Mrs. Dubour, who manages to do all her work herself, and still finds time to sew all the youngsters' clothes, sighed hopefully for a similar kitchen where all working units are whisked out of sight when work is done, in order to give the homemaker extra living space. The \$100 bond Mrs. Dubour received as the 1,000,000th visitor, she said, will be saved "toward the day when peace comes."

THE METHODIST MEETING HOUSE
N. Duntan at Eastman Street
Milo J. Vondracek, Minister
9:45 a. m. Sunday Church School with a record attendance expected. We are fast approaching our goal of 200 in attendance. There is a class for every interested person. The general hour will be in charge of Mr. Joseph Crittendon's class.
11:00 a. m. The Morning Worship gives opportunity for enrichment of those deep and necessary resources that can only be gained through deep worship. The choir will sing an appropriate anthem. The pastor of the church will preach.
6:00 p. m. The newly organized H. League will meet with the Youth Fellowship to hear Dr. R. H. Collis and conduct a model meeting.
8:30 p. m. The Youth Fellowship presents Dr. R. H. Collis in a "Model Meeting."

Monday
8:00 p. m. The Official Board will meet to review some of the achievements of the church program this far this year and to plan for newer and more vital matters in the life of the church. All members of the board, please be present.

Wednesday
8:00 p. m. The Northern District Rally at the First Methodist church, Evanston. Here is an opportunity to hear Bishop Magee describe the new program of Methodism. The Crusade for Christ is under the Bishop's personal supervision.

Thursday
8:00 p. m. Choir rehearsal. More intensive practice is needed for the holiday season. Will all members of the choir please be on time.

Friday
8:00 p. m. "Handy Andy" fellowship will undertake to make some improvements on the church property. If you have the time spare it and help with some necessary work.

Church Notes
November 1st is the date set for finishing the drive for foodstuffs for the Lake Bluff Orphanage. Bring your contribution this Sunday or call Mrs. Carncross, or Dibble.

ST. JOHN EVANGELICAL CHURCH
W. F. Kamphankel, Pastor
Frank W. Buchler, Organist

Offer 45,000 patents for sale at 10 cents

Bargains in post-war ideas! Step right up folks and help yourselves!

When America entered the war Uncle Sam seized 45,000 patents and patent applications of foreign corporations in this country. For 10 cents apiece copies are now being made available by the office of the U. S. Alien property custodian. In any one of these patents there may be the opportunity of a lifetime for manufacturers, engineers, chemists, skilled production workers, or anyone else with a knack for organizing and for making things.

Enemy countries have spent millions of dollars developing the pat-

ents. Yet by investing 10 cents for a copy of a patent and \$15 for a license to use it, one may glean knowledge that will lead to a fortune.

The patents cover scores of industries. About 7,500 relate to the chemical industry, 1,300 to ordnance and aircraft, 1,000 to metallurgy, and 7,000 to electrical subjects. Some 26,000 patents are in manufacturing, transportation, power and machinery. It is said that a good many of the larger companies in America already have begun intensive study of various patents, but that smaller corporations have not shown the same interest.

REMEMBER!

WINTER IS NEAR

Don't wait for the first snow or the first drop in temperature as a signal to have your winter garments cleaned. Bring them to us now when we can give you the best service possible. New Emerald cleaned clothes look better and wear longer.

Just Around the Corner

The most tempting Herald advertisement of the week: House for sale, Palatine, corner of Comfort and Easy streets.

NOT BY BREAD ALONE . . .

A friend of mine recently took me to the boarding house of a mulatto woman from whom she had bought antique glass and china. We were shown some beautiful blue plates.

"How many do you have?" I asked.

"Twelve,"

"How much do you want for them?"

"Oh, I wouldn't sell those plates, m'am."

"You wouldn't? Why not?"

A grin. "I've got my reasons."

"They're family pieces?"

"No'm."

We were intrigued.

"Sometimes," the woman piqued our curiosity further, "food is scarce. Kind of expensive, too. I have a hard time feedin' my boarders."

"You are an expert at conundrums," I observed.

"Well m'am, when food is scarce or I'm close to broke I get out those plates."

"Maybe we're dense," I remarked.

Another grin. "It's like this. Folks aren't goin' to notice what kind of food or how much they're served when it comes to 'em on plates like that."

I've known many Negro philosophers. The printer associate of Dr. George Washington Carver, famous scientist, neatly answered a question put to him the other evening when he spoke at an Arlington Heights Woman's Society meeting. The query concerned Dr. Carver's consciousness of race prejudice. "You can't be black and live in the south and not be aware of race prejudice," he said. "But Dr. Carver was a religious man and didn't figure it mattered to the Lord what color the hands were that tried to serve him."

Definitions I cling to:

Sense of humor—A sense of proportion touched with spontaneity.

Boasting—The outward expression of an inner insufficiency.

(Hazlitt used the word "vapored" for boasting. I love that.)

Gentleman—One who never inflicts pain.

Ever since the day I had lunch in the Paul Sweitzer home I have felt guilty about my affection for old things. Not that I won't always love them. But the house designed by Mr. Sweitzer is so clean lined—well, yes, and damn it—so functional, I felt like going

Pfingsten-Schroeder nuptials held Saturday

To hear bishop

Members of the official board of Arlington Methodist church and other interested persons are invited to Evanston First Church to hear Bishop Magee present the outline and goals for the Crusade For Christ. Where the Bishop has spoken for their time. In this strategic time it is imperative that the Church of the Christ assert itself. The meeting will be held at 8 o'clock, November 1, First Methodist church, Evanston.

A pretty candle light wedding was solemnized Saturday evening, October 21, when Miss Lorna Pfingsten, daughter of Mr. and Mrs. Edwin Pfingsten became the bride of Edwin Schroeder, son of Mrs. Dorothea Schroeder, Arlington Heights, in the St. Peter Lutheran church at 6:15 o'clock. The impressive double ring ceremony was performed by the Rev. L. V. Stephan.

The bride, given in marriage by her father, looked lovely in a wedding gown of white satin trimmed with lace. She wore a veil of finger tip length and carried a shower bouquet of white pom poms and sweet peas.

Alice Pfingsten, sister of the bride, as maid of honor was charming in a lime green georgette dress and carried a bouquet of bronze pom poms. She wore matching flowers in her hair.

Ruth Held and Adele Hatten-dorf, the attractive bridesmaids, were dressed in fuchsia georgette with yellow pom poms in their hair and yellow pom pom bouquets.

William Schroeder, brother of the groom, was best man. The ushers were Richard Hinrichs and Roger Jannusch.

Two solos, "The Lord's Prayer" and "Take Thou My Hand" were rendered by Ruth Stutman during the ceremony.

A dinner for eighty guests was served in the Lutheran school basement at seven o'clock followed by a reception.

Edwin Schroeder MM3c and his bride will leave Thursday for Port Huene, Calif., where he is stationed.

Furlough rations

Inasmuch as processed foods are now valued only in multiples of 10 ration points, the rations of these foods for service men on leave or furlough for 72 hours or more have been increased from eight to 10 points for each nine meals, OPA announces. Civilians eligible for temporary food rations will be issued processed food rations on the basis of 10 points for each seven days.

Mr. & Mrs. Louis Clark fiftieth anniversary

Forty relatives gathered at the home of Mr. and Mrs. Henry Lunning, 218 S. Evergreen st., Arlington Heights Sunday, October 15, in honor of the fortieth wedding anniversary of Mr. and Mrs. Louis Clark. Forty silver dollars in a cluster were presented to the couple by their four children, husbands and wives, Mr. and Mrs. Joseph Seigler, Mr. and Mrs. Henry Lunning, Mr. and Mrs. Earl Skoog and Mr. and Mrs. Bruce F. Clark.

Chrysanthemums, pink and white tapers, miniature flower girls, a bride and groom, made attractive decorations for the table from which a buffet supper was served.

Dancing and cards were enjoyed during the afternoon and evening.

Out-of-town guests were Mr. and Mrs. Russell Bates and family, Mr. and Mrs. Clarence Garasha and Mr. and Mrs. Carl Harlin and family of Chicago.

Mr. and Mrs. Clark reside in the old homestead originally built by her father, Fred Schulerberg, former mason contractor. It was in this home that Mrs. Clark was born and the couple were married on October 23, 1904.

Mr. Clark has been commissioner of noxious weeds of Wheeling township since 1935 and a member of the Arlington Heights fire department thirty-three and one-half years.

Ideal bake sale

Interesting casseroles. Delicious doughnuts. Appetizing cakes. Luscious salads. These and many other delicious foods will be offered at the bake sale Saturday, October 28, in downtown Arlington. So hop and stop to shop at the Public Service Store. The ideal club invites you to attend. Time 2:30.

Mrs. Walter Schimmel left Monday to visit Major Schimmel at Macon, Ga.

Mr. and Mrs. R. Clarbour and family of Chicago were dinner guests Sunday at the Herbert Olson home, 300 S. Dunton ave.

Mr. and Mrs. Nels Olson, 219 S. State rd., with their son and daughter-in-law, Mr. and Mrs. Herbert Olson, enjoyed dinner at the Swedish Club Wednesday evening, Oct. 18, in honor of Mr. Nels Olson's 75th birthday.

Miss Henriette Klehm, who is teaching in Plymouth, Wis., spent the week end at her home in Arlington Heights.

Mr. and Mrs. C. W. Peters attended the celebration of the 20th anniversary of their daughter and son-in-law, Mr. and Mrs. Roy Miller, Park Ridge, Wednesday.

Club calendar

Oct. 26—Dessert luncheon and program. Welcome Club at Lutheran school at 1:30 p. m.

Oct. 28—The American Legion Auxiliary rummage sale will be held Saturday, Oct. 28 at Legion Hall.

Oct. 28—Ideal Club delicatessen and bakery sale at Public Service store Saturday, Oct. 28 at 2:30.

Nov. 1—Junior Woman's Club dance.

Nov. 8—Bundles of America annual Christmas stocking card party at Field House at 1:30 p. m.

Nov. 9—Smorgasbord by Martha Circle at the St. Johns church at 5:30 p. m.

Nov. 16—St. Peter Lutheran Aid bazaar.

Nov. 26—Chapter ER of PEO sponsor book review by Mrs. Geo. Fowler Sunday evening, November 26 at Methodist church.

Nov. 30-Dec. 1—Three one-act plays sponsored by the Youths Fellowship of St. Johns Church.

Dec. 2—Friendly Class rummage sale, Presbyterian church, 9 a. m.

Engagement
Mr. and Mrs. Edward Coy, 207 N. Belmont ave., Arlington Heights, wish to announce the engagement of their daughter, Geraldine Margaret, to Lt. James Peskuski, USMC, son of Mr. and Mrs. Enoch Peskuski, Chicago.

Lt. Laddie Podzimek, who has been home on furlough, left Monday to motor to Camp Van Doren, Miss. accompanied by his sister, Mrs. Rodney Wille. Mrs. Wille, whose husband is stationed in England, is enjoying a two weeks vacation from her employment at the Commonwealth Edison Co.

Ralph Stoeckel, who is stationed in the navy in Michigan, is home on furlough.

Mr. and Mrs. H. M. Blume entertained the Misses Lydia and Carrie Blume, Mrs. Verna Eichinger and Mr. and Mrs. Clifford Blume and children from Edison Park at dinner Sunday.

Mr. and Mrs. H. R. Richardson of DesPlaines visited her parents, Mr. and Mrs. C. W. Peters Sunday.

Mr. and Mrs. Herbert Hammerl and family 307 N. Haddow avenue attended a triple celebration at the home of his parents, Mr. and Mrs. Charles Hammerl in DesPlaines Sunday. The day marked the 46th wedding anniversary of the Chas Hammerls and the birthdays of two of their grandchildren, Marie Hammerl of Arlington Heights and Alan Ewert son of Mr. and Mrs. Walter Ewert, Mt. Prospect.

The Martha Circle of the St. Johns church will hold a smorgasbord in the church basement November 9. Tickets are 60c for adults and 35c for children under twelve. Doors will open at 5:30.

Mrs. Robert E. Childs, Boston Mass., is ill at the home of her mother, Mrs. C. H. Mills, with the mumps. Bobby Childs is also a visitor at the Mills home. Ensign Robert Childs is in the naval hospital at Great Lakes convalescing from a severe case of the mumps. When dad and mother recover, Bobby will take them on to California.

Celebrate nuptials at high mass service

St. Mary's Church, Buffalo Grove, was the scene of a lovely wedding Saturday morning when Miss Angela Pfister, daughter of Mr. and Mrs. Henry Pfister, Prairie View, became the bride of Joseph Leikham, Prairie View, at high mass at 9:30. Father Becker officiated at the ceremony.

The bride, given in marriage by her father, looked charming in a white brocaded satin gown and finger tip veil with a tiara of orange blossoms. She carried a bouquet of white mums.

Virginia Pfister, sister of the bride, as maid of honor, was dressed in a royal blue velvet and white net gown.

The bridesmaids, Georgene and Germain Leikham, daughters of the groom, were lovely in red velvet and white net dresses. The junior bridesmaid, Geraldine Leikham, daughter of the groom, wore a white net dress trimmed with bows of royal blue. The bride's attendants wore white ostrich tips in their hair and carried bouquets of white button mums.

George Spoerlin acted as best man. The ushers were Joseph Carlleskie and James Hoskins.

A wedding breakfast for sixty guests was served at the Chicago House at 12:30.

A reception was held in the evening at the Wheeling school hall. Dancing was enjoyed and a buffet luncheon served at midnight.

THURSDAY, OCTOBER 26, 1944

PAGE FIVE

+ FASHION PREVIEW +

Children dressed with simplicity and taste have an excellent foundation for growing into adults with good clothes sense. Shown above, a pictured in the September issue of Good Housekeeping magazine, is a one piece cotton with checked skirt, tucked white top. Mother is wearing a long-lived wool suit with cardigan jacket, rayon-lined.

Arlington local news

Mr. Arthur Windheim is a patient for rest and treatment at the Municipal Sanitarium.

Mr. and Mrs. William Overton, 216 S. Evergreen st., entertained Mrs. Overton's father, Mr. Charles Wilson, and Mrs. Ruth Page in honor of Mr. Wilson's seventy-third birthday anniversary Sunday.

Mr. Ken Milstead spent this week in Washington, D. C., at a Food and Drug Administration conference.

Mrs. Leonard Rateike, nee Stockel, has joined her husband in his new station in Ohio. Following his official transfer from Washington Mr. Rateike came to Arlington where his birthday was celebrated at the Kurt Stoeckel home.

Mr. and Mrs. C. L. Stadler entertained Mr. and Mrs. Edwin Stadler and Mrs. Carrie Herschel from Elmwood Park last Sunday.

Mr. and Mrs. E. G. Nagel North Douglas avenue, entertained at a farewell supper party. Saturday evening in honor of their daughter Leona, who with two Chicago friends has taken a new position in Arizona.

Mr. and Mrs. Jos. Wisersky 229 S. Walnut street entertained relatives from Oak Park and a few Arlington Heights friends at dinner Sunday in honor of their daughter, Leona's eighteenth birthday.

Mrs. Louis Clark was hostess at a supper for fellow employees at the Arlington Packaging Co. Monday evening in honor of her fortieth wedding anniversary. A lovely gift was presented to her from her co-workers.

Mrs. M. J. Vondracek, 8 W. St. James st., entertained eight little six-year-old boys at a party and hamburger roast in honor of her son Jon's sixth birthday Saturday. Earl Latimer, Jr., of Chicago, an out-of-town guest, spent the week end with Jon.

Mrs. Florence Seigler left Saturday to visit three weeks with friends in California.

Dorothy Harting

given bridal shower

Mrs. Louise Heuer and daughter Lorraine, Rand rd., Arlington Heights, entertained at a bridal shower in their home Thursday evening in honor of Mrs. Heuer's niece, Dorothy Harting, of Arlington Heights. Twenty-five relatives of the bride-to-be were present.

A sprinkling can, artistically arranged on the chandelier, held pink ribbons which led to each shower gift.

Bunco was played during the evening. High honors were won by Mrs. Agnes Schaeffer, second prize went to LaVerne Karnatz, and Eleanor Dacus took consolation prize.

The wedding of Miss Harting and Henry E. Karnatz, DesPlaines, will take place November 18 in the St. Peter Lutheran church, Arlington Heights at 4 o'clock. A reception in the evening will be held in the Wheeling school gymnasium.

Capt. and Mrs. John Duerkop, Midland, Texas, are the parents of a baby girl, born October 21. Mrs. Duerkop is the former Alice Dreschel of Arlington Heights. Capt. Duerkop having completed his missions in E. T. O., is now an instructor in the bombardier school at Midland.

Mr. and Mrs. Orval Baldwin and family enjoyed an interesting trip Sunday to Starved Rock.

Dr. Edwin Bauman, one of a group of 15 dentists from the Chicago and suburban areas, who are members of a study club, attended a three day educational meeting at the Mayo Clinic, in Rochester this week.

Jean Baldwin, Barbara Atkinson, Andrea Kennedy and Helene Baker spent their holiday Monday horseback riding. The girls enjoyed a picnic lunch in the woods.

Mrs. George W. Reznor visited her aunt, Mrs. Stier, in Portland, enroute to her home in Arlington Heights from California.

Mrs. Willard Landmeier of 219 W. Wing st. is slowly recovering at the Elmhurst hospital from her recent operation.

Mrs. O. O. Kehr, Waukesha, Wis., and Mrs. Lillian Shepherd, Union Grove, Wis., were week end guests at the Paul Collins home, 583 Burton place.

Birthday party

Arlene Judith (Cookie) Andres, daughter of Mr. and Mrs. Wm. E. Andres, reached her second birthday Monday, Oct. 23. A birthday party celebrating this event was held on Sunday with fifty guests attending. Helping make her party a success was the presence of her uncle and godfather, Ensign Robert W. Jacobs who was just recently commissioned and given a furlough.

Mr. and Mrs. C. A. Hughes were week end guests at the A. R. Jones home, Carthage, Ill. Mrs. Hughes' mother, Mrs. Ella Rehner, who had been visiting in Carthage, returned home with them.

Silver anniversary

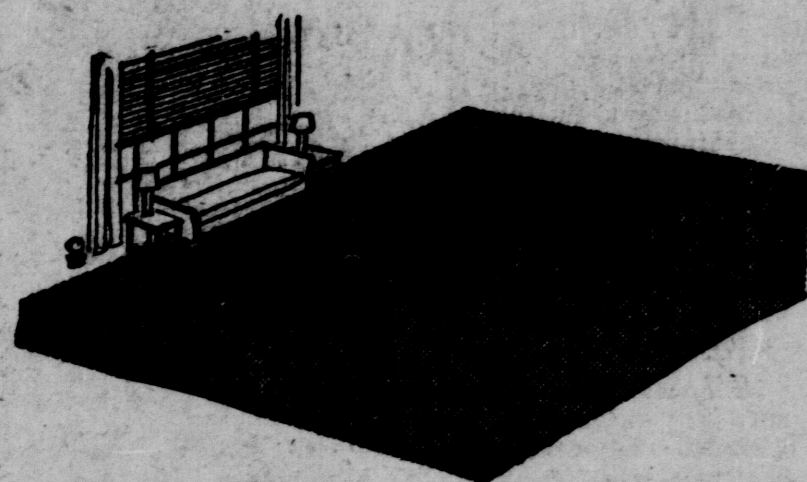

Mr. and Mrs. W. F. Bockelmann, 25 N. Pine ave., Arlington Heights, entertained thirty-five relatives in their home Saturday evening in honor of their silver wedding anniversary.

A buffet supper was served in the recreation room at 6:30. Cards were enjoyed during the evening. Mrs. George W. Reznor, daughter of the Bockelmann's arrived home from California Tuesday to be present at the celebration.

Mr. and Mrs. Frederick Meyer and family of Holland, Ill., were week end guests at the home of her parents, Mr. and Mrs. Carl Stadelman, 618 N. Belmont ave.

State Women's clubs to donate greenhouse

Mrs. Burton Noyes, vice president of Illinois Federation of Women's Clubs reports that the clubs of the state are showing great enthusiasm for the \$25,000 greenhouse project that it is hoped will be completed in time for its announcement as a Christmas gift to the Vaughn general hospital.

"This project," states Mrs. Noyes, "has four aims: as a monument of the fifty years that the state federation has been in existence, as a rehabilitation agent for returned soldiers, as Christmas presents to the boys now in the hospital and as an expression of appreciation of the sacrifices that the boys are giving to their country."

Each club is asked to make a sizeable contribution to the fund, even as much as \$1.00 a member.

Further explaining the necessity of outside funds as an aid to a government hospital, Mrs. Noyes outlines the situation as follows: "The government provides all the basic needs for all hospitals alike, but the extras that are needed in some hospitals and not in others, if they are to be provided, must come from organizations in the vicinity in which the hospitals are located.

"For instance, one hospital might need a swimming pool, where a hospital adjacent to water would not be interested in such a project. If a swimming pool was a basic requirement for government hospitals, there would be many places where such an improvement would be needless. For things not basic, the hospital staffs turn to local organizations. The Illinois Federation of Women's Clubs has accepted the responsibility for the greenhouse at Vaughn's.

"Vaughn's hospital will ultimately as a part of Hines hospital, will be a permanent veteran's hospital and the greenhouse will be servicing all veterans that will be cared for in the hospital for years to come."

BARELY COVERED

—Photo courtesy New York Dress Institute

An exciting idea for the beach, bright red gingham with drawstring halter bodice, is also pretty for backyard vacationers.

Cover up your back with a separate, solid color or white bolero and you can use this dress for marketing in your own home town.

Gingham is smart this Summer for all occasions. You might want to pack a tissue gingham dance dress, designed ankle length and ruffled around the low, round neck, or a gingham for afternoon, cut two-piece with peplum jacket.

Candle light service at Fuhr-Kirchhoff nuptials

Miss Lillian Fuhr, daughter of Mr. and Mrs. Julius Fuhr, Arlington Heights, became the bride of Lt. Herbert W. Kirchhoff, son of Mr. and Mrs. Wm. Kirchhoff, Mt. Prospect, at a beautiful candle light service at five o'clock Saturday, October 21, in the Arlington Heights Presbyterian church. Rev. Herman McCoy read the impressive double ring ceremony.

The bride, lovely in a white satin gown with a finger tip veil, carried a bridal bouquet of white roses centered with an orchid. She was given in marriage by her father.

Gertrude Glave, maid of honor, gowned in pink taffeta, wore a matching short veil and carried a bouquet of pink carnations trimmed with blue satin ribbon.

The bridesmaids, Doris Fuhr, sister of the bride, and Leona Kirchhoff, the groom's sister, were dressed in blue satin dresses with matching veils. Their bouquets were of pink carnations with blue satin ribbon trim.

The little flower girl, Julia Fuhr, was charming in a blue dress with a blue hair bow and a bouquet of pink carnations trimmed with blue satin ribbon.

Rudolph Zersen acted as best man. The ushers were Kenneth Fuhr and Wallace Busse.

During the ceremony Miss Naomi Smart sang "Because" and "The Lord's Prayer", accompanied by Miss Bernice Benic, organist.

A delicious dinner, prepared by the Friendly Class, was served to 162 guests in the church basement on tables lighted by tall tapers and beautifully decorated with white carnations and mums.

A reception was held in the evening at the Veterans Club, Mount Prospect.

The couple are spending a two weeks honeymoon at Smoky Mountains, Tenn.

Lt. Kirchhoff will return November 11 to the Panama Canal Zone where he is stationed. The bride will make her home with her parents.

Women's clubs regional institute next Thursday

The Northern Regional Institute will be held in the grand ballroom of the Sherman hotel, Thursday, November 2, 1944, at 10 a. m. Registration, with the small fee of 25 cents will begin at 9:15 a. m.

The general workshop will be in the forenoon, and conducted somewhat differently this year. The program will be built around "Security in Progress."

Among the five experts who will appear on the forum will be Dr. Roland R. Cross, director of health in Illinois; Lt. W. S. Bishop, director of Cook county veteran re-employment bureau, and Mrs. Glen M. Suthers, chairman of the post war planning council. I. F. W. C. will make a deduction of facts, from these talks, at the end of the morning session. General Carroll of Vaughan hospital will talk of army care for our wounded service men.

Luncheon will be served at 12:30 in the Crystal ballroom. Price, including tax and tip, will be \$1.80. All reservations, accompanied by check, should be in the hands of the luncheon chairman, Mrs. Albert W. Seidel, 5909 N. Kenmore ave., Chicago 40, not later than October 27. Guests will be seated in order of date reservation is received.

Mrs. Eva Dunlay, repatriate from China, after thirty years residence there, will speak during the luncheon hour. Miss Carol Louise Smith, contralto, winner of 1944 music festival award will sing.

Workshops, with state chairmen in charge, will be held at 2 p. m.

The Junior Institute will be held at the same hotel at 8 p. m. Miss Dorothy Dohrman, state chairman, will be in charge.

Benson plans library service to rural area

Extension of the facilities of the Illinois State Library to provide more books for rural readers and the complete revamping of that library to give better service to those now using it, is pledged by Senator Arnold P. Benson, Republican candidate for secretary of state.

Senator Benson pointed out that the secretary of state is the official state librarian, and as such, is responsible for efficient administration of state library affairs. He said that thousands of Illinoisians living in rural areas are without library service. He explained that the unsatisfactory library situation in Illinois rural communities is due to the inability of small political subdivisions to provide adequate service.

"Filling extensive gaps in public library service," he asserted, "is one of the first major problems of library extension. This means devising ways and means by which non-library areas can best be fitted into a workable pattern of library organization.

"I should like to see our Illinois state library the greatest library in the nation. When I am secretary of state, I propose to extend the service of bringing books into rural communities of Illinois. I conceive the state library to be potentially one of the greater subsidiary educational institutions in the state."

ACCENT ON CURVES

Photo courtesy N. Y. Dress Institute

QUITE a bit of glitter and the drama of striped satin combine to make such glamorous New York fashions for dinner and evening as the dress pictured. The long, moulded bodice with its deep neckline and the semi peplum skirt slit to the knee give a two-piece look to this slim Fall gown with the pink and black of the satin scalloped in sequin embroidery. Contrasting with such styles are short and long nighttime dresses made entirely of the striped satin and along wide-skirted lines, and cocktail dresses with crepe bodices and striped satin skirts.

"I THINK AN AUTOPSY WILL REVEAL APPLES AND FUDGE!"

Betty Flachsenberg, Edward Guenther wed

Miss Betty Flachsenberg, daughter of Mrs. Gotfried Flachsenberg of Chicago, became the bride of Mr. Edward Guenther, Jr., of Morton Grove Saturday evening, October 21, at a candle light service in the Jerusalem Lutheran church, Morton Grove, the Rev. Otto Heidtke officiating.

Miss Flachsenberg chose the traditional white satin for her wedding gown and wore a short finger tip veil. She carried a shower bouquet of mums and carnations.

Mrs. Joseph Singer of Chicago was matron of honor for her sister. Her bridesmaids were Miss Mary Boyd of Skokie, Miss Mildred Guenther of Morton Grove, sister of the groom and Mrs. Alvin Guenther of Chicago. The girls were all dressed alike in white moire taffeta and net gowns and wore white Juliet caps and blouses. They carried bouquets of American Beauty roses and white mums.

Mr. Guenther chose his brother, Alvin, as best man and Mr. Wm. Ross of Morton Grove, Mr. Walter Rath of Skokie, and Mr. Harold Beilfuss of Glenview were the ushers.

Mrs. Cornelius told of the remarkable growth of 4-H in Cook county, thirty-five new clubs this year, a gain of thirteen over last year, with an enrollment of 481 girls, a gain of one hundred over last year. Of this number, 50 girls became project honor members

New residents in Arlington

Mr. and Mrs. Keith Marsh of Rockford were married in a quiet ceremony last week Monday in Chicago.

The bride is the former Elizabeth Minch, daughter of Mr. and Mrs. Walter B. Minch of Mount Lebanon, Pa. She is a former student at Perry hall at Lake Forest.

The bride and groom have taken an apartment at Arlington Heights near the Park Ridge plant of the Douglas Aircraft company, where Keith is doing inspection work. Mr. Marsh, who studied at Lake Forest college for three years, was graduated from Babson institute, Wellesley Hills, Mass. He is a Rockford high school graduate.

Switches

Things to come — Electrically-lighted wall switch plates which feature a tiny shielded light that comes on automatically when room lights are turned off, but goes out when room lights are turned on. Tougher, lighter fabrics woven from synthetic fibers to eliminate up to half of the weight of non-chos, packs and sleeping bags carried by hunters and campers. A new patented method for reclaiming copper from used engraving plates, said to be so economical that it will pay printers to salvage the metal instead of throwing the plates in the scrap pile.

9th Dist. Auxiliary outlines year's program

Urge 'no soap' edict again this year for Halloween

"No Soap" is the Halloween edict again this year. Favorable comment on the success of the campaign last year from merchants business men and housewives has encouraged the youth clubs in the area to reduce even further the destructive mischief which is associated with Halloween days.

"Let's save the soap to sock the 'Japs'" is the rallying cry with which the youth are swinging into line to observe a Halloween that is soapless and will keep garden gates, fences, garbage cans, etc., intact and where they belong.

Thousands of hours of manpower vital to the war efforts will be saved on the day after Halloween if there are no windows to be cleaned of soap and wax. He also pointed out that the amount of soap used to deface a large store window requires the same amount of grease in its manufacture as is needed to lubricate a large naval gun after firing. No soap on Halloween consequently means saving of manpower and vital war materials.

Aegean Islands

Frequently embattled, the mountainous islands of the Aegean have scenery and healthful climate to attract peacetime tourist hordes. Their fertility supports large crops of olives, figs, grapes, oranges and lemons. Sponge-gathering is the distinctive industry of their Greek population.

Home Bureau leaders are entertained

Cook County Home Bureau entertained the fifty-five leaders of girls 4-H club at a party on Friday, October 20, at Old Heidelberg, Chicago. After a delicious luncheon short acknowledgements of appreciation were given by Mrs. Elsie Ross Butler, regional director of 4-H, Mrs. C. A. Cutler, president of Cook County Home Bureau, and Mrs. Marie Cornelius, home advisor, who were introduced by Mrs. F. Hlavacek, Cook county chairman.

Mrs. Cornelius told of the remarkable growth of 4-H in Cook county, thirty-five new clubs this year, a gain of thirteen over last year, with an enrollment of 481 girls, a gain of one hundred over last year. Of this number, 50 girls became project honor members

and 50 received honorable mention. Mrs. Butler emphasized that these fine attainments of the girls, both in membership and in the high quality of the work done, reflected very favorably upon the leaders and upon their groups.

Mrs. Cutler thanked the leaders for their splendid work and pledged the continued whole hearted operation of the Home Bureau.

The meeting was then turned over to Miss Lucile Denby from the University of Illinois, who led the guests in folk dancing and musical games.

Those present from Arlington Heights were the Mesdames Ed Grewe, C. A. Hughes, Marshall Lindbergh, W. E. Fritz, W. K. Dodge, Arthur Peterson, Frank Havernak and Herbert Morphey.

The ninth district American Legion Auxiliary held its regular monthly meeting last Thursday evening at Wilson Park Field House. Following the opening ceremonies a fifteen minute skit was put on by the blue net work. This was called a gripe session in which four contestants were given the opportunity to get off their chests the reasons their husbands griped them.

Mrs. Helen Goll of Park Ridge griped more than the others and was the winner of free tickets to several blue network broadcasts.

Mrs. Lucia Lackowski, membership chairman, announced a total of 1849 members in the district and asked the unit chairman to keep up the good work.

Mrs. Mary Schwartz, child welfare chairman, gave an outline of her program for the year which includes gathering children's books for the juvenile detention home library in Chicago and the parties given at the soldiers and sailors children's school at Normal, Ill.

Mrs. Ethel Davis, rehabilitation chairman, outlined her program of bringing comfort and cheer to the veterans at Hines hospital.

Production of Red Cross surgical dressings at Hines hospital has been resumed.

Mrs. Jean Kosbie, national defense chairman, told of the new project of the auxiliary called "Wings of Mercy Fleet". Twenty-five hospital ships for the purpose of returning wounded men are to be purchased by the American Legion Auxiliary through the sales of war bonds.

Before closing the meeting tribute was paid to Lt. Richards, son of Mrs. Agnes Richards, Sgt.-at-Arms, who was killed in action. The audience was asked to rise while the chaplain, Mrs. Bernice Korcz, read a prayer.

"I'M GLAD I GOT INTO WAR WORK. I LOST TWENTY POUNDS AND THE MEN ARE WHISTLING AT ME AGAIN!"

Smart!

THEY LIKE IT —and Here's Why!

Read What the Women say about Centrifugal Laundering

Here's What They Tell Us:

The bundle which came back with the card is the best I have ever received from Park Lane and our best from any laundry ever dealt with.

— Mrs. A. L. Brooks.

Your services have been very satisfactory.

— Mrs. Lester Kingsley.

We are quite pleased with the washing.

— B. M. Wallace.

This last bundle was the very best, whitest, cleanest. I've had in three years. Thank you.

— Mrs. Zitzewitz.

You do a good job. I have two little children and would have a tough time without good laundry service.

— Dorothy Marks.

A new washing process at the Park Lane Laundry has brought a wave of favorable comment from scores of local homemakers. It cleans beautifully, more thoroughly . . . and it saves the clothes. Centrifugal laundering is our answer to the request for a better wash service.

With Uncle Sam

Tennessee

The two sons of the Kurt Krebs, Olive ave., Prospect Heights, are in training in the southern part of this country.

Henry, who enlisted in the navy after his graduation in June of this year, is going to ordnance school in Memphis, Tenn. He is now going to gunnery school and learning all about guns, pistols, etc. He is very enthused over his work. His address is Kurt Henry Krebs, S2c AOM, NATTC, Memphis, Tenn.

Kurt, their other son, is learning to be a navigator on an AT 18, and thus far has completed 10 missions as a navigator. He has to make 21 before his graduation in December. When he completes his officer's training he will assume the rank of lieutenant. He is in the army air corps as an aviation cadet at Selman Field near Monroe, La.

California

Injured in the battle of Guam is Donald Coakley of Palatine. Don is now at the naval hospital at San Leandro, California. He suffered a concussion in the Guam action and hopes to be transferred to Great Lakes in the future. He went overseas in April. His address is Pfc. Donald L. Coakley, US Naval Hospital Ward 25, San Leandro, Calif.

Home for two weeks is Edwin Schroeder of Arlington Heights. MM3c Schroeder arrived home Thursday, and returns to his station at Port Huemene, California November 1. He married Lorna Pfingsten of Arlington Sunday.

Mr. and Mrs. Otto Maleski of Mt. Prospect have received word that their son Chaplain (Capt.) H. J. Maleski has been transferred from Camp Stewart, Georgia, to Camp Hahn, California.

OKs meat and dairy goods at air force post

Making out health certificates so that pet dogs may be admitted to overseas ports is hardly typical in the affairs of the McCook Army Air Field, Nebraska, Veterinarian's Office, but it is one of them.

The vet staff, headed by a world war veteran from Mount Prospect, Captain George N. Cunningham, spends most of its time checking and rechecking the quality of meat and dairy products to be consumed by the post.

When a shipment of milk arrives a bottle is selected at random and sent to the Seventh Service Command laboratory for the Schaefer Phosphates Field Test, which determines whether the sample has been subjected to the proper degree of pasteurization.

The base veterinarian keeps in constant touch with local health boards to make sure there is neither typhoid nor rabies in the vicinity.

He also makes recommendations to the field Quartermaster regarding the grade, weight and price of foodstuffs arriving here.

When a shipment of meat products arrive, Captain Cunningham advises the Quartermaster as to its quality and as to how long it may be kept. All frozen meats must be thawed out before being turned over to the general mess. In the case of frozen beef, the thawing process takes 48 hours. All eggs are candied by the department.

In addition to this work, the department maintains an animal clinic for pets on the base and the sentry dogs.

Our 5,000th letter

We received our five thousandth letter this week. It came from Harlow Smith of Palatine, who is stationed at Bougainville.

"I would like to say how much I appreciated the last edition of the Enterprise I received. It was the one that featured the 2nd anniversary of 'With Uncle Sam.' I feel I now know where all of my buddies are, at least most of them."

"I was very surprised to see a picture of me in it. I don't think I'll ever forget those days way back when I was getting my basic training, when that picture was taken. That was 3 1/2 years ago and have had some very interesting experiences since then. I've learned a lot of things that I didn't think I would ever have to know."

"Received word from home that Herbert Herr was here on this rock and of course I made it a point to get in touch with him. We were glad to see each other and had quite a gab fest, mostly about home. He's looking fine but has grown since I last saw him."

"I still think the Enterprise is tops and all of us guys appreciate it immensely. I think the editor and his staff deserve an awful lot of credit for what they're doing for us down under and on the other side of the pond. That also includes the people of Palatine and I mean all of them. You folks are doing a grand job on the home front. Keep the supplies coming and we will keep the Japs running."

His address is Cpl. H. H. Smith, 36012742, APO 37, c-o PM, San Francisco, Calif.

Hawaii

From Hawaii comes word of Frank Schmidt of Palatine.

"Just a line to give you my address as I haven't been receiving your paper lately, but that is because I have been moving quite a bit. I am now back in Hawaii. Haven't heard much from the Mainland lately so I would like to receive your paper. I always did enjoy it, especially Uncle Sam's page. I get to find out the addresses of the boys from around home. That's all for now."

His address is Frank B. Schmidt, AMM2c, % FPO, Frisco.

Mediterranean

By placing nine bombs in the target circle out of every 10 dropped, the B-25 Mitchell bomb group to which Corporal Peter P. Michelau, son of Mrs. Arthur Cleson, Route 1, Mount Prospect, is assigned in the Mediterranean theater set an Air Force record for bombing accuracy during the month of September. Bombing average for the month was 90.4% as shown by bomb-strike photos.

This outstanding precision bombing record during a one month period was attained in 49 separate attacks against such pinpoint objectives as rail and road bridges, enemy gun positions, fuel dumps and troop concentrations while flying aerial support for the allied drive in northern Italy.

Corporal Michelau is serving in the communications dept. with the veteran B-25 unit which has been cited by the President for distinguished service in battle.

Lt. Glen Grewe heard on Nazi POW program

First Lt. Glen Grewe of Arlington Heights appeared on a recent enemy broadcast from Germany, it was revealed this week, sending a message to his dad, Geo. Grewe of

Chicago. The government intercepted the message from the fighter pilot, who was shot down over Austria in a raid.

"This is my first chance to get in touch with you. I'm still in a daze from all that has happened. I am in good health and not treated bad. Do not worry about me because I will be all right. Everything will turn out OK soon."

"Contact the Red Cross as to parcels you may send me. Send extra candy as I get enough cigarettes to last me. I cannot write very often, but you can write all of the time. Give my address to everybody and please ask them to write often."

"I am at Stalag 1. I have seen most of Germany the last couple of weeks. Say hello to every one and do not worry."

Lt. Grewe was fighter pilot with the 52nd fighter group when he was shot down over Austria July 8 of this year. His plane was a Thunderbolt.

Lt. Grewe entered service September 14, 1942, and won his wings August 30, 1943. He went overseas January 10 of this year, going to Africa, Corsica and Italy.

New Guinea

From New Guinea comes word of William Grismer of Arlington Heights.

"We arrived somewhere in New Guinea after a pleasant trip across the blue Pacific. Our present location is on the shore of a lake which is about two blocks from the 12 man tent in which we sleep. Out our back door we have an open-air theatre and a mountain which rises to 1400 feet. The weather at present is fine with rains about every third day. The nights are cool and comfortable sleeping with one or two blankets. We have good showers and also plenty of drinking water. It tastes flat at first and is never cold."

"We got a coca cola machine in and we get cold coke every day as long as it lasts. We also got our first ration of beer in and it is the first beer I have had since I left Memphis. The beer costs us about 7 1/2 cents per can in American money, as for whiskey here there is none to be had. However there is some gin and native jungle juice. Either one of these do not go good in this hot climate. If you do drink it, well, between the drink and the sun it will knock you flat on your back. Some of the older fellows say it has had after-effects."

"The natives are educated down here inasmuch as they will not work for cigarettes any more but want money. Their favorite pastime is to lift up his outer garment which is a pair of GI underwear and scratch his stomach. The natives are very dirty and scaley."

"There is fishing and swimming in the lake and a few of the fellows made some sail boats in their spare time. So far I have only run into one fellow I know. He is S1c Arvid Peterson of Arl. Heights. He was up here the other day and we had fun talking about old times. He has been down here almost a year and is hoping to go home soon."

"If the editor will look up his old records of 1941 he will find that Louis Helm, who is now with the Air Transport Command in India, and myself were the first ones in the service to write to the editor. At that time we were in the 108 Engr. Bn. at Camp Forrest, Tenn. Since that time, three and one-half year ago, a lot of changes have been made."

"If there is anybody that is down this way I sure wish they would look me up."

His address is M/Sgt. William H. Grismer, APO 343 % PM, San Francisco, Calif.

No. Carolina

Still at Lejeune, North Carolina, is Pvt. Bob Coakley, of Palatine.

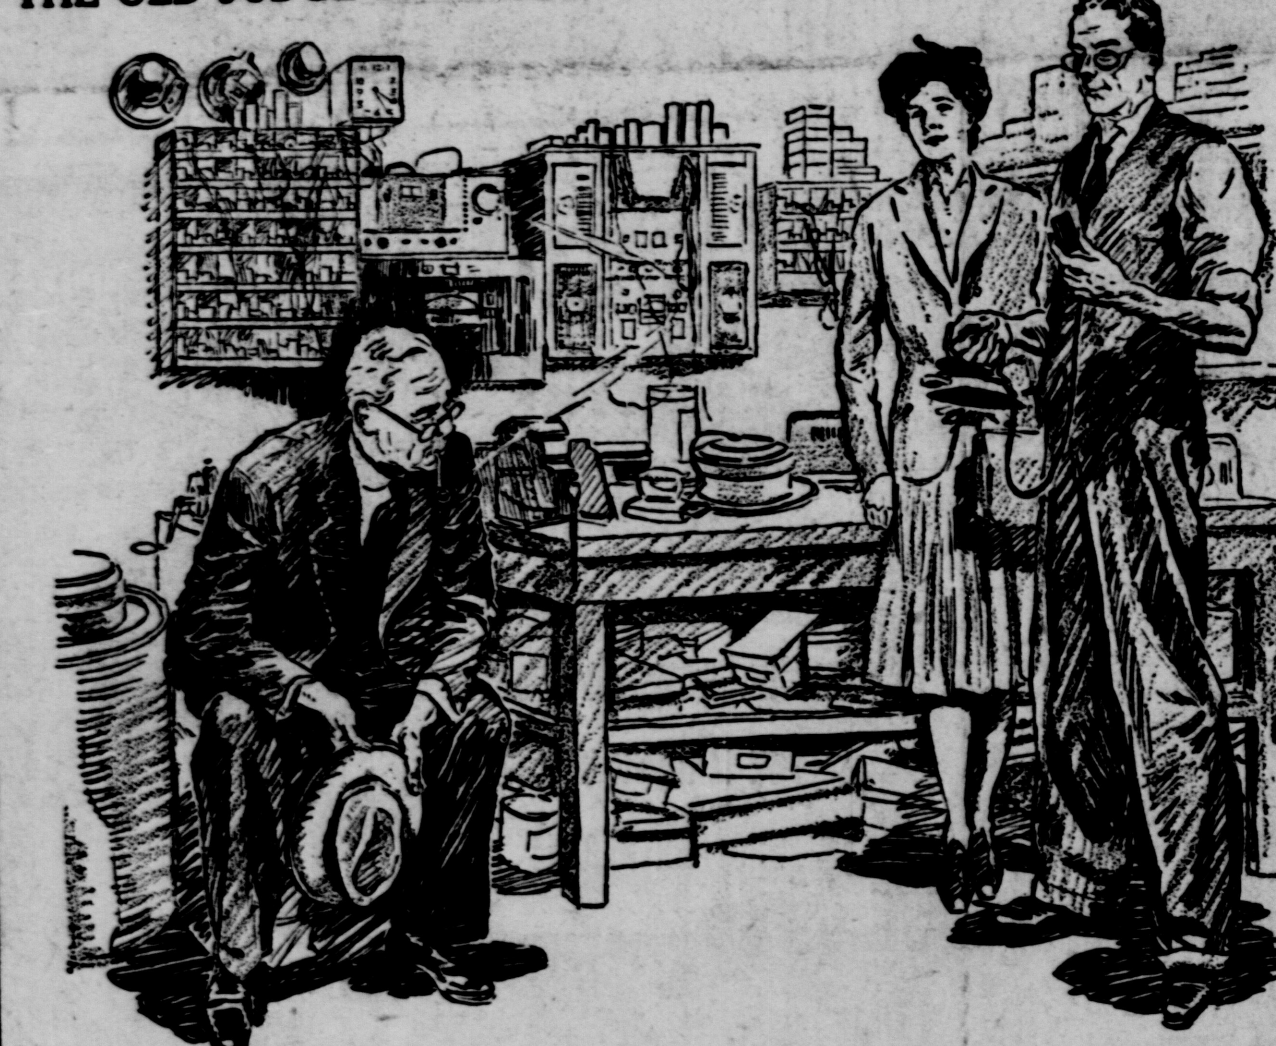

Massachusetts

Another resident of Prospect Heights who took his indoctrination course at Plattsburg, N. Y., was Walter Borman, Jr., who was commissioned a lieutenant (j. g.). He was home on a few days leave prior to his entering Harvard University for a course in naval communications about three weeks ago.

His wife and young son Walter left Prospect Heights Monday and will remain with Mr. Borman until his course has been completed.

Home for a week's leave was RT2c Dave Heller of Arlington Heights. Dave has been stationed at the naval research laboratory in Washington, D. C. He arrived at home last week (Monday) and left Sunday for Boston where he will serve aboard a not-yet-commissioned light cruiser.

THE OLD JUDGE SAYS...

"We can't argue with the Judge on that point, can we Mabel? It's not fair to penalize the many for the actions of the few."

"That, folks, is exactly what we would be doing in this country if we ever voted for prohibition again. Authorities who have made a careful study of the problem, report that only about 5% of those who drink abuse the privilege occasionally... 95% drink sensibly. Probably doesn't compare with the number of folks who overeat and do other things to excess. Prohibition certainly isn't the answer. It's not that simple. We had nearly 14 years proof of that, didn't we?"

"The real answer is education and better control. In fact, the responsible members of the distilling industry are working constantly toward that end. They don't want anybody to abuse the use of their product any more than the three of us do."

"If everybody would take that sensible attitude, Judge, and cooperate as more and more are now doing, we'd be a lot better off a lot quicker."

Pirates put up good fight but lose, 12-6

Palatine's football team was made up of eleven fighting Pirates Saturday as they displayed the hoped for spirit against their old rival Barrington but the way things turned out it was not in the books for Palatine to win. The Pirates gained double the yardage that the Bronchos were able to pick up but lost 12-6.

Almost all of Barrington's ground gaining and seven of their eight first downs came in the process of scoring their two touchdowns. The first came in the opening quarter as the Bronchos took a short kickoff and marched to a touchdown in 10 plays from mid-field before the Pirates got their hands on the ball. Emerson set up the score with a 14 yard end run and then plunged over from the one yard line.

Palatine, who badly outplayed the Bronchos for most of the game, came back to score just before the half. Rose, Palatine right tackle, recovered a Barrington fumble on the Broncho 25 yard line and in three plays the Pirates scored with Tom Moody driving through Barrington's right tackle for the last 14 yards.

Palatine came back strong in the third quarter and marched to the Barrington six yard line with a first down at that point but Emerson intercepted a short Palatine pass and the rally was over. A little later Palatine fumbled and Barrington recovered on the 34 yard line. Mixing short runs with three short passes Emerson was put over the winning touchdown.

Palatine, led by hard driving Tom Moody and a hard charging line, set up another scoring opportunity by moving down to the Barrington two yard line in the final minutes of the game but a fumble lost ground and Barrington eventually took over on their own 11 and froze the ball until the game ended.

The Pirates gained a total of 225 yards to Barrington's 103 with the first downs favoring Palatine 12 to 8. Tom Moody alone picked up 136 yards in 24 plays for an

Lake Forest gains 4th win over Leyden, 19-0

Lake Forest whipped Leyden 19-0 Friday for their fourth straight victory and Leyden's fourth consecutive defeat. No one has scored on Lake Forest this season except Arlington Heights who beat them with 19 points in a non-league game. Lake Forest's passing attack was responsible for all their scores which spoiled Leyden's homecoming.

Rival centers were standouts. Guefford made more than half Leyden's tackle backing up the line as center while Swanson, Lake Forest's 215 pound all conference guard of last year, was a bulwark of strength in the victor's line.

'Change of Pace'

Monotony in color slows down efficiency. Different colors in corridors, rest rooms, lavatories and lunch rooms in industrial plants and other business places produce a desirable "change of pace" in the mental attitudes of the workers passing through them.

Palatine lights lose to Broncs

Palatine's lightweight football team showed marked improvement in losing by only 16-0 to Barrington Monday afternoon. A week ago they lost 26-0. Next Monday the lights play their final game at Northbrook.

Cards tie Crystal Lake in thriller

The Northeast Conference never put on a gridiron show before that could come close to the thrilling razzle-dazzle football playing of Arlington Heights and Crystal Lake in their 19-19 deadlock last Friday night. It was a game in which anything and everything could happen and did happen. Great running, deadly blocking, phenomenal pass catching and the most spirited team play of the season on both sides left everyone saying that it was the best prep game they had ever seen.

Crystal Lake piled up a 19-6 lead in the first half before Arlington got the full force of their offense into action but the Cardinals struck back with such decisive action in the third quarter to tie the score that the crowd was surprised to see neither team count in the last period though both seriously threatened.

Crystal Lake went out in front in the first five minutes of play. The Tigers got the ball on their own 42 and on the first play Legel ran through the middle of the Cards line for a 32 yard gain. Some short gains and a 11 yard pass from Tipps to Clarke put Crystal Lake on the Arlington 21. From this point Uceny went thru the center of the line 21 yards to score. Uceny's kick for extra point hit the goal post. A little later Crystal Lake's end, Clarke, intercepted an Arlington pass in the flat and ran across the goal line unopposed but lost the score on a ruling that a teammate was offside.

Lakers make it 12-0
Crystal Lake made it 12-0 soon after the second quarter started. Robinson punted over the Crystal Lake goal and the Lakers had the ball on their own 20. Legal made two yards and then Tipps hit the line for three. On the third play McCrady hit through Arlington's right tackle, was stopped momentarily and then broke away and ran 75 yards to score straight down the middle of the field.

A little later Arlington had to punt from their own 34. The punt was fumbled and went into the hands of Aldrich of Arlington who ran over the goal but the play was nullified as two opposing linemen were slugging. Again Arlington punted and this time Crystal Lake was clipping and Arlington got first down on the Lakers' 40. Bork hit through the line for 13 yards. Ehard picked up seven. Bork passed to Page for 11, and Ehard ran nine yards to score.

The Lakers appeared to be thoroughly aroused. Hayden, diminutive end, ran the kickoff back 39 yards to the Arlington 31. McCrady plunged nine yards through center. Tipps flined a pass to

In the last quarter Arlington marched to the Cardinals' 20 on plays caught by Page and by Robinson and a 15 yard run by Brumm. After Crystal Lake took over on downs Macdonald intercepted a pass in midfield and aided by a 15 yard penalty Arlington had first down on the 27. On the next play Brumm broke away to the Crystal Lake five but for the fourth time his efforts were to no avail because of a 15 yard penalty. Late in the quarter Crystal Lake worked the ball deep into Arlington territory but good pass defense saved the day.

It was a game between two offensive minded teams. Neither line showed much excepting the ends. Page was very outstanding and is undoubtedly the best pass catcher in a strong league with many good ends. Bork played a great game as line plunger and passer. Robinson did some uncanny passing to Page and Macdonald. The latter again demonstrated his open field running and pass catching ability. Ehard did some nice backfield work while in the game. Legel and McCrady looked best for Crystal Lake in the backfield and Clarke at end stood out in the line.

The game set a league record for penalties with 140 yards on Arlington and 110 on Crystal Lake. Arlington gained 130 yards on passes and 250 rushing for a total of 380. Crystal Lake did some fine rushing with 200 yards in 28 plays for a seven yard average but gained only 22 on passes for a total of 22.

	Crystal Lake (19)	Ar.	C.L.

MAC SAYS:
BY GERALD A. McELROY

Even though Arlington tied with Crystal Lake instead of winning the game, it brought out one fact concerning the Arlington team which we think is more important than any other. This Arlington team does not give up when it gets behind. There was unusual team spirit, determination, and everything else it takes to make a champion in that

Libertyville One Of 21 Undeclared

Twenty-one high school football teams in Illinois are undefeated and untied. Outside of three Chicago teams the only eleven in the state north of Galesburg to rate such a position is Libertyville of the Northeast Conference.

Waukegan Going Places Athletically

Waukegan's efforts to put new life into the athletic department in their school seems to be going right along. Football victories over Proviso and Oak Park on successive Saturdays should be a real boost to Waukegan spirit. We understand that Waukegan has been practicing basketball for sometime, that they are going to have intramural basketball every evening in the school week, and that they have put in bleachers down on the court so the fans can get closer to the play in the big spacious Waukegan gym. Just a few of the ideas of the new basketball coach, Allen.

Warren Is In The Wrong Conference

Warren High of Gurnee has not won a game in the Northeast Conference this season but it is our guess that they would be undefeated champs were they still in the Northwest. Warren, with but 300 students, faces an uphill battle in sports, having to meet, in most cases, schools twice their size in the tough Northeast loop. And with Grays Lake planning to build a high school in the very near future, Warren's enrollment will be cut down to the average of the present Northwest organization.

Cards Average 50% Pass Completions

To date the Arlington football team has tossed 100 forward passes in six games and completed 49 of them for a total gain of 841 yards. This is an average of 140 yards a game on passes with just about a 50% record on completion. This is very unusual passing, particularly in high school. Practically all completions mean a first down and that means Arlington averages a first down for every two passes attempted. Actually Arlington has gained more yardage running than passing. A good passing attack has spread the defense and made the running effective and vice versa.

Libertyville at Arlington this Saturday

Top game on the Northeast Conference card this week is Libertyville at Arlington. The Cards have not been beaten to date, having one tie with Crystal Lake to mar their otherwise perfect record. Libertyville, pre-season favorite, is also undefeated.

The final two weeks of the Northeast campaign brings the two "title" games, the Wildcat Cardinal tilt Saturday, and the Libertyville-Lake Forest game the following week.

In order to win the title, Arlington must beat Libertyville this Saturday, and also win their other remaining game. The next week the Wildcats would have to stop Lake Forest, thus giving Arlington a clear title. If Bergstrom's boys would also fall to Lake Forest, then the Lakers and Cardinals would tie for the championship.

Arlington has shown a scrappy team this year, with a good passing attack. Libertyville looks better in the line. It's a toss-up Saturday with either team likely to win.

Game time at Arlington Heights field is 2:30.

Leyden beats Palatine cross country team, 29-26

Leyden defeated Palatine 29-26 in a cross country run put on between halves of the Lake Forest-Leyden football game last Friday. Clarence Vogt came from behind to beat out Quatro of Leyden for first individual honors in 9:38 for a mile and three quarters. Popp (Leyden) was third, Hapke (Palatine) fourth, Heard (Leyden) fifth, Wente (Palatine) sixth, Tonzcyk (Leyden) seventh, Howes (Palatine) eighth, Filloon (Palatine) tenth.

Grant wins Homecoming game from Bisons, 20-7

Bensenville gains only score in final period

Grant High of Fox Lake went into undisputed leadership of the Northwest Conference by winning their homecoming game with Bensenville 20-7. The Bulldogs ran up a 20-0 lead in the first three periods and Bensenville's only score came near the close of the game.

Bensenville got a break on the opening kickoff as Grant fumbled and the Bisons recovered. After working down to the 10 yard line Bensenville gave the ball back on a fumble. Grant marched 90 yards to score with Thompson going over from the 8 yard line and Winkle kicking the extra point. Fine running by Mahoney featured the Grant touchdown march.

In the second quarter Mahoney reeled off a 45 yard end run to the Bison 15. Grant finally lost the ball on downs on the two yard stripe but after Bensenville punted out Grant came right back and scored with Paustian lugging the ball over from the two yard line. Winkle again converted.

Mahoney swept around Bensenville's left end on a reverse and ran 50 yards for the third Grant touchdown near the end of the third period. Bensenville drove 50 yards to score in the last quarter. Schoppe carried the ball around end to score from the 20 yard line.

Bensenville made 10 first downs to Grant's nine but the Bisons will be very long on experience.

With Uncle Sam

Aleutians

Douglas Cargill Sic of Wheeling is at home on a thirty-day leave after spending more than a year in the Aleutians. Douglas is in fine health but glad to be back in the States. He is making his headquarters with his uncle, Harold Hartmann, and dividing his time between his own and his wife's family.

Recently commended in the Aleutians was Claude Britt, whose wife lives at Arlington Heights. As navigator on a navy bomber, he participated on a special photographic-bombing mission to Paramushiro, Jap naval base. He has been promoted to aviation machinist's mate first class.

So. Carolina

Now at Columbia, South Carolina is Bill Jensen of Palatine. His address is Major Wm. A. Jensen, Combat Crew Depot, Columbia, South Carolina.

Florida

From Camp Blanding, Florida, comes word of Bob Thieme of Palatine. "I've been receiving the Palatine Enterprise paper right along now. But now my base training is over, and I will have a change of address. As yet, I will inform you as soon as possible. I should be home on furlough the first part of November. So I'm looking forward to meeting some of the old gang, if any of them are home at the same time.

"Please do not send any papers up to me in Florida. But just make sure I get them at my next camp—cause I'd sure hate to miss out on the old home town news."

Nebraska

Cpl. John Haben of Wheeling has left Lincoln, Nebraska, and is now a member of a combat crew detachment waiting further orders at Alexandria, La.

Flies paratroops into Holland

Second Lieutenant Robert H. Geils, son of Mr. and Mrs. Irving O. Geils of 180 Mason street, Bensenville, a C-47 combat pilot, has just completed a series of low level combat flights into German occupied Holland. Lt. Geils flew in some of the First Allied Paratroops to jump in the Lowlands and followed this by towing in gliders with jeeps and heavy guns to reinforce the troopers.

"The Paratroop mission caught the Hun off guard," said Lt. Geils after returning from his first trip into Holland, "but when the gliders were brought over a few isolated pockets of German snipers they took some shots at us with machine guns and rifles. My plane had several small holes scattered over it. However, our biggest worry was the bad weather. Over the channel and across the route that leads to Holland, I don't believe the birds were flying on some of the runs we made into Hitler's vanishing front yard—that weather was right on the deck."

For Lt. Geils, this was his second trip across enemy lines with Airborne Troops and Gliders. He participated in the historic June 6 invasion of the Cherbourg peninsula that started the Germans reeling backward toward the Siegfried Line.

Since the original D-Day, Lt. Geils has been busy flying resupply missions to the front line armies and doing air evacuation of wounded from field hospitals on the continent.

Lt. Geils is in a Troop Carrier Group commanded by Colonel William D. Whitacre of Western Springs. This unit is a part of the newly organized First Allied Airborne Army under the command of Lieut. General Lewis H. Brereton.

Italy

From Italy comes word of Melvin Beese of Mt. Prospect.

"Just a few lines to let you know I'm feeling great and no more news of my homecoming like I was told when I first got reclassified. Anyway I still haven't been re-assigned and I hope I don't ever."

"Haven't received your Enterprise for 2 months again and really miss it, but I guess somebody likes to see me wait for it. I have no idea whatsoever may be the fault of my not receiving it."

"I'm positive it's being sent, and I'm sure I gave you my new address."

"How's Mt. Prospect and Arlington Heights, and the neighboring towns? Wish I were back there and enjoying myself like the days before the letter came to give me my greetings. Now I wish I could get another letter that would say 'Greetings, you are now legally or illegally discharged from the U. S. Army.' I'd prefer the good discharge, but I'll grab anything that comes first."

"Say, is there any way to find out how long some concerns have contracts with the government for supplying us with orange marmalade, powdered eggs and malted milk dextrose tablets, corned beef and lemon ade powder? I wish someone else would sign a contract with them for something worthwhile. Boy, how I'm going to enjoy a meal at home. That's about all we look forward to—besides mail call. Got a package the other day. It really was good. It had candy and everything, but there's one thing you can't guess—'orange marmalade.' Anyway it's great to be alive, I guess, and sweat it out."

"Everytime I write I have some gripes. Anyway if you haven't heard any griping, you ought to be here. What a life."

"To the guys all over the globe it's 'See you all soon,' and say hello to the guys in France. They are doing a good job over there."

"Ever hear about the soldier (private) that was on guard duty and came the time to challenge all people on or near his post. Towards evening the Corps General came along and the Private hollered, 'Halt, Who's There?' The General said, 'General of the Post.' The Private didn't know what to do next, he was so excited and didn't say anymore. All of a sudden the General said 'You want me to stand like this all night?' Private said, 'Parade Rest.'"

His address is Pfc. Melvin W. Beese, ASN 36642798, APO 372, 7 PM New York City, New York.

Award of a bronze battle star for his unit's participation in the French campaign has been made to Corporal Peter P. Michelau, son of Mrs. Arthur Clesen, Route 1, Mount Prospect, it was announced at 11th Air Force Headquarters in Italy recently. Corporal Michelau is serving as a communications mechanic with the battle-seasoned Mitchell group.

Minnesota

Arthur L. Miller, Yeo 1c of Wheeling spent the week end at home. Arthur is stationed at Duluth, Minn., at present, where he is waiting the completion of the ship on which he expects to head back to the Pacific. He had come to Great Lakes on business which gave him the opportunity for a brief visit with his wife and parents. His wife is making her home with her parents in Chicago.

'Showers, 1 day laundry service 3 mi. from front'

Capt. Stu Paddock writes from France

"One of the wonders of the war is that hot showers and one day laundry service is provided just three miles behind the front lines," writes Stu Paddock, now serving with General Patton's army in France. Stu went overseas this past summer, arriving in France September 19.

"We are on the road in France and I'm taking advantage of a 45 minute halt for lunch to tell you something of our experiences. Since our boat moved up on the beach at high tide and we drove through the very prow of the boat when the tide receded at 4 a. m., we have been traveling during the daylight hours and camping next to our vehicles at night."

"Our whole movement from England was conducted with hardly any supervision or information. An M.P., either a private or a corporal, would drive up in a jeep and tell us to proceed to another point and it was all there was to it. It was a calm crossing, and the expected storm did not materialize. We were amazed by the unlimited safety of the beachhead, and all the country we have passed. Lights are used in our camp and we drive at night with the main headlights turned on."

Very few planes

"Although we are well into France by this time we haven't seen but a plane or two. The French give quite an ovation in every town we pass. Since Army vehicles seem to be the only ones on the road, the whole town turns out when the trucks begin to roll through town. Most of them are children and very old folks but they give the 'V' sign and an enthusiastic smile. The kids are not beggars as many of them were in England, but appreciate every bit of C or K ration you toss out to them. As we pass the lined roadways, the French toss peaches, grapes, apples, tomatoes and even chicken and wine into the trucks, until we can't eat our regular rations."

"A few of the towns were smashed to pieces but most of them showed little or no evidence of a struggle. The charred remains of tanks and vehicles were occasionally found beside the road where a bulldozer had pushed them to clear the road. A few bomb craters, and blown-up bridges could be seen but the important bridges had been repaired."

"The horses which had not been confiscated by the German in their hasty retreat are not accustomed to vehicles, and their drivers jump out and hold the reins at our approach. I've picked up a few words from my school French vocabulary and it was a pleasant surprise to be partially understood."

French like to bargain with us. "The French would much rather not accept money for purchases or services but want to bargain with you for gasoline, cigarettes, soap and candy. I don't know whether it's because they think the money is no good or not. I think the real reason is that these items are almost non-available and they prize them much more than money. Some of the boys have been offered 200 Francs (\$4.00) for a package of cigarettes."

"At one stop, a French family did my laundry for me, pressing even the undershirts and shorts. I had to wake them up at 4:30 p. m. to retrieve it when we moved suddenly, and the whole family got up and dressed to wish me goodbye—even to the point of kissing both cheeks, including the 8 year old boy."

"They all want souvenirs and will give postcards, money, small French flags, etc., in return—for my wife, they say. I'm sorry I can't send the postcards but those are banned by the censors. I'm hanging onto the money in case I need it."

His address is Capt. Stuart R. Paddock, 0-353816, APO 403, 7 PM, New York, N. Y.

Maryland

Home on 10 days furlough is George Michelau of Wheeling. George has been in the army since last March, taking basic training at Ft. McClellan, Alabama. He has just completed the infantry school at Fort Benning, Georgia. Pvt. Michelau leaves Sunday for his new station at Ft. Meade, Maryland. His address will be Pvt. George Michelau, AGF Repl. No. 1, Fort George G. Meade, Maryland.

LOK

From LOK comes word of Robert DeLacey of Bensenville. "Writing from the unknown I can't say very much. Have been receiving the Register of late at uneven intervals, but all in all it brought me many joyous and also unhappy moments. You have to take the good with the bad I guess but all things happen with some outside reason in my opinion anyway."

"Sorry to hear of Louis Bishop, Lennie Baumgartner and Hank Kevill. To Dorothy Wagner, Connie Mewis and Peggie Schmitz I want to extend my deepest sympathy and hope everything turns out alright. All were classmates in good old B.C.H.S. and swell kids."

"I'm not at liberty to say much on the war situation except I've seen enough. It's not the fun, believe me, and only those out in it know what I mean by that statement. Give anything to be back in school again right now but that's wishful thinking."

"Wish to extend my best wishes to all the folks in Bensenville and say hello to the many folks who have their boys out here. Also to little gray haired lady on Irving Park Boulevard who I'm fighting for more than anything else in this world. I've got 2 years towards my Dad's 32, but I think the duration will be enough for me."

Chap. (Lt.) Donald C. Morrison of Wheeling, formerly pastor of Wheeling Presbyterian church, is now enroute to an overseas base. For over a year Chaplain Morrison served the Station Hospital at Camp Reynolds, Pa., where he lived with his family in Sharon. His wife and daughter Edna have returned to Chicago to make their home until his return.

Now overseas is George Reznor of Arlington Heights. ARMC Reznor left California for parts unknown three weeks ago.

With Uncle Sam

Hawaii

Ensign Paul J. Bratt, husband of Mrs. Paul Bratt, W. Willow rd., Prospect Heights is now in Hawaii taking amphibious training. He enlisted in the navy in July and was sent to Plattsburg, N. Y., for his indoctrination course. He was given a short leave upon completion of the course and then sent to the west coast. His wife had recently received word that he had arrived in Hawaii for amphibious training.

Florida

Pvt. Peter W. Arnato has been graduated from the Army Air Forces Flexible Gunnery School at Tyndall Field, Florida, one of the largest schools of its kind in the Army Air Forces Training Command. Upon his graduation, the soldier received a pair of silver wings signifying that now he is ready to take his place as a member of the combat crew of an AAF bomber.

At the gunnery school, he was trained in the operation of .30 and .50 calibre machine guns, first on ground ranges and later in the air, learning by simulated aerial battle conditions how to blast enemy fighter planes from the sky.

As an aerial gunner he will join thousands of his "teammates of the sky," carrying the attack to the enemy in all parts of the world as guardians of America's heavy and medium bombers.

He is the son of Mr. and Mrs. Sam Arnato who reside at RFD No. 1, Roselle.

From Fort Pierce, Florida, comes word of August Ettledorf of Palatine.

"I would like you to send me the Palatine paper. I haven't received it yet and am expecting to get it for I like to read it very much. I received one that was transferred to me from Boston, Mass."

"I am at an amphibious training base. We're just like Marines. We serve on Attack Boats. I am a gunner. I was supposed to be a Basic Engineer. Will start my sea training next Wednesday. I will get an American Theatre of War ribbon and also be made Sic at the end of November. I won't be home for Christmas."

"We're supposed to be evacuated from this island because of the big hurricane. We are all ready to go including life jackets."

His address is August A. Ettledorf S2C USNATB AB Camp 2 Plot 53 Group 185 Div 23 Fort Pierce, Florida.

Home for a few days this week was Laverne Levine of Arlington Heights. He has been stationed at St. Augustine Florida, for some time giving rifle instructions to members of the coast guard. GMIC Levine returned to St. Augustine this Thursday morning.

Howard S. Prout, 20, 4132 Grove Avenue, Brookfield, was graduated from basic indoctrination October 11 as honor man of his company at the Great Lakes U. S.

Great Lakes

Howard S. Prout, 20, 4132 Grove Avenue, Brookfield, was graduated from basic indoctrination October 11 as honor man of his company at the Great Lakes U. S.

Naval Training Center and is on recruit leave.

Prout was elected candidate by fellow bluejackets and selected honor man by his company commander on the basis of military aptitude and progress. He has been recommended for Radioman's School for further training.

Prior to joining the Navy he was a student at the Arlington Heights High School.

He is spending his leave with friends in New York City, N. Y.

Thomas John McGinty, 23, Second and Olson streets, Bensenville, is receiving his initial Naval indoctrination at the U. S. Naval Training Center, Great Lakes.

His recruit training consists of instruction in seamanship, military drill, and general Naval procedure. During this period a series of aptitude tests will be taken by the recruit to determine whether he will be assigned to a Naval Service School or to immediate duty at sea.

Clarence Allison Sic of Wheeling has been at home on leave. Clarence recently returned to Great Lakes after a period of radar training at the Naval Base at Gulf Port, Miss. While there he enjoyed a visit with his cousin, Clarence Sanders stationed at Keesler Field.

Greenland

Now in Greenland is Clinton Coakley of Palatine. He serves the air corps as an aviation mechanic.

"Everything is beautiful here. We are stationed in a pretty valley, around which are snow-capped mountains. The rabbits are as big as dogs. We see plenty of icebergs, most of them as big as houses. I am writing this letter while in the midst of a snowstorm. (September 24)."

His address is Pvt. Clinton G. Coakley, 36677356, APO 858, % PM, New York, N. Y.

Marshall

How Lieutenant Bernard J. Breiter, of Church road, Bensenville, co-pilot of a 7th AAF Liberator bomber, heined to devise a means of patching the flak-severed hydraulic lines of his plane, enabling it to make a safe landing after a mission over Truk, was told by other members of the crew. His plane is based in the Marshalls.

Using rags, friction tape and wire, Lieutenant Breiter and Technical Sergeant Lloyd Rainbolt, of West Iminece, Mo., flight engineer and top turret gunner, mended the lines, which had been slashed by fragments of an anti-aircraft shell which exploded under the bomb bay.

The lost hydraulic fluid was replaced by pouring the plane's supply of drinking water and machine gun oil into the lines, restoring enough pressure to operate the brakes and flaps.

"It was a job well done," said the pilot, Lieutenant Francis Pouls of Pasadena, Calif. "As it worked out, we landed into a strong wind and didn't need the brakes. The flaps did most of the work of slowing us down. Without the repair job by Lieutenant Breiter and Sergeant Rainbolt, we might have been in for a crash landing."

Lieutenant Breiter's parents, Mr. and Mrs. Herman Breiter, live in Bensenville.

Italy

From Italy comes word of Marvin Horcher of Wheeling.

"Am back in my company and would appreciate it if you'd change my address. We've been on the line about a month and it sure has been rugged. These Krauts know pretty well what's in store for them, but have too much pride or bull-headedness to give up. There have been times when they were in one room of a house, with us in the other, throwing grenades at each other."

"The worst part now is winter setting in. The whole range of mountains were covered with snow this morning. The valleys are all mud and it's about as easy to tunnel through as it is to walk over."

"Haven't heard from Melvin Beese since we met on the boat coming from Naples. It sure was swell to meet a buddy from Wheeling, even if I didn't know him at first."

His address is Pfc. Marvin Horcher, 36753723, APO 34, % PM, New York, N. Y.

Michigan

Now at Ypsilanti, Michigan, is Bob Stem of Palatine. His address is Pvt. Robert Stem, 3509 AAF BU, Ford Motor Co., Ypsilanti, Michigan.

Germany

Henry Petersen of Palatine writes this week from Germany.

"I should have written sooner to thank the Legion Auxiliary for the Palatine Enterprise, but I have been pretty busy and still am. Decided I better write and give you my correct address because I get the paper pretty late. I sure enjoy reading them even if they are a little old."

"Well, I took part in the France-Belgium campaign. It was rugged. I had quite a few personal experiences. One time the Krauts were thick, like fleas on a dog's back. Went out sniping and helped capture a batch of the so-called master race."

"I have dug quite a lot of fox holes. It doesn't take long to learn to dig one when the shells start flying. One soon learns the difference between incoming and outgoing shells."

"Have quite a collection of souvenirs, some money, German army unit insignias, a German bayonet and belt which I took personally from a German prisoner. Am kept pretty busy doing the same job, maintaining airplanes, the eyes for the Field Artillery. Thanks again for the Palatine Enterprise. You will find my address on the envelope."

His address is S/Sgt. Henry Petersen, 36028091, APO 230, % PM, New York, N. Y.

TO DATE

5051 - letters from men - 1657

Write yours today!

Write With Uncle Sam, c-o this paper, Arlington Heights, Ill.

No. Carolina

From Fort Bragg, North Carolina comes word of Carl Huter of Palatine.

"Just a few lines to say hello and to tell you that my address is now Battery 'C' instead of 'A' and we never know how long we will be here as they come and go every day."

"Nothing ever happens here in the States so there isn't much to write about. I still receive the Enterprise every week and hope it keeps coming."

His address is Cpl. Carl Huter, Btry C 779th FA Bn, Fort Bragg, North Carolina.

France

Leonard Johnson, Sr., of Mt. Prospect, received word from Cpl. Leonard Johnson, Jr., that he had arrived in France.

LOK

LOK is all we can say about Stuart Elting of Palatine. Stu is in the navy, serving aboard an LST, and is known to be somewhere in the European Theatre of Operations.

"Having a fairly 'nice' time over here. The country we are now in shows the ravages of war more than my last station. I'm librarian aboard my ship, opening the library two hours twice a week. The navy provides the room but not the books. Sure could use more books."

QM3c Elting went overseas last spring.

Alabama

Home for 13 days furlough from Ft. McClellan, Alabama, is John Sauve of Arlington Heights. John is instructing Japanese-American soldiers at McClellan. He reports back to duty October 28.

VOTE 'YES' On The Banking Amendment

In the far left-hand column of the big ballot to be voted on November 7th, under a proposal to amend the State Constitution, there will be another proposal entitled: "Shall an Act to Amend Section 10 of 'An Act to revise the law with relation to banks and banking,' approved June 23, 1919, as amended, be adopted?"

Under the State Constitution any amendment to the Banking Act must be passed by the General Assembly and approved at a General Election before it becomes effective.

This amendment is nonpartisan; it passed the General Assembly without a dissenting vote, and has the approval of the State Auditor of Public Accounts, and of the Democratic candidate for that office, and is endorsed by the Illinois Bankers Association which includes both State and National banks.

This is a most desirable amendment. Section 10 is that part of the banking law of Illinois which authorizes a State Bank to make loans and purchase investment securities. It establishes the limits on the classes of loans and investments which a bank may make.

It can readily be seen that the amendment is most desirable in order to bring the loaning and investment authorities of our State Banks up to date and to remove administrative uncertainties and to strengthen the whole State Banking System. It brings our State Bank Law more in line with the National Law on these subjects and will enable the State Banks better to service the post-war needs of business and industry.

Specifically, the amendment clarifies the law by expressly providing separate limits for loans and investments and by expressly providing authority with respect to the purchase of bonds and tax warrants of state and local municipalities. It recognizes the safety of loans secured by Government bonds or by a guarantee by the Federal Government, or any of its agencies, in connection with certain types of loans such as V, VT, GI and other loans.

It encourages a building up of capital structure by permitting surplus over and above 100% of capital to be considered in determining loaning limits. Under the present law State Banks get no additional lending power based upon such additional surplus.
